For all round development of an individual the whole school is divided in to four HOUSES

1. Arawali House (Red)
2. Himalaya House (Yellow)
3. Neelgiri House (Blue)
4. Shivalik House (Green)

We are committed for all round development of a child. For Successive implementation CCA Team is very active for CCA planning. As per the CCA planning, we are in regular practice to promote the students and explore their talents through Inter-house competitions like Art and Craft, Music, Dance, Essay Writing, Speech Competitions, Games, festival celebrations, environment care etc. Display Boards are decorated by students time to time as per the CCA calendar.

आधारभूत विषय

विद्या भारती के अनुसार पाँच आधारभूत विषय विद्यालय में बड़ी रुचि के साथ बालक निर्माण हेतु सुचारू रूप से क्रियान्वित हैं। प्रातः वन्दना विद्यार्थियों के सुसंस्कारों के विकास के लिए महत्वपूर्ण मंच है जहाँ पर सर्वप्रथम माँ सरस्वती, ओउम व भारत माता को पुष्पांजली देकर ईश वन्दना, गायत्री मंत्र, ओउम का जाप, शांति पाठ, प्रातः स्मरण, एकात्मकता स्त्रोत व सामूहिक देश भक्ति गीत वन्दना में विशेष महत्व रखते हैं। समय-समय पर प्राचार्य व आचार्यों द्वारा प्रेरक प्रसंगों की प्रेरणादायक प्रस्तुति होती है।

भारतीय जन्म दिवस पद्धति

सभी विद्यार्थियों का जन्म दिवस वन्दना के समय भारतीय पद्धति के अनुसार, मोमबती बुझाकर नहीं बल्कि दीप जलाकर मनाया जाता है ताकि बालक के जीवन में शिक्षा एवं ज्ञान रुपी रोशनी बनी रहे। पाश्चात्य सभ्यता के अनुसार मोमबती बुझाना अर्थात् अंधकार करना यह पद्धति बच्चों को नहीं सिखाई जाती। जीवन में हमेशा प्रकाश रहे इसके लिए दीप ज्योति की जाती है। बालक को आशीर्वाद मन्त्र के साथ जन्म दिन की बधाई भी सभी भैया बहिनों द्वारा दी जाती है।

बालिका शिक्षा

सरस्वती विद्या मंदिर भारतीय संस्कारों से ओतप्रोत विद्या भारती की योजना अनुरूप बालिका निर्माण की पद्धति के द्वारा बालिकाओं में अदभुत गुणों का विकास करने में सम्पूर्ण देश में एक सफल योजना के रूप में कार्यरत है।

Art & Craft

Without art life would become dull, hence in order to develop an aesthetic sense and creativity in students, hobby classes in music, dance, drama, drawing and painting, floral decoration and interior decoration are being conducted. To teach the student the value of dignity of labour and to develop vocational skills activities like Cooking, Stitching, Greeting Card Making, Mehendi Rachao, Rakhi Making, Putin work etc are also undertaken.

Parents-Teachers Coordination and Cooperation

Both the Parents and Teachers are the most important part of the Education System. So. to maintain the Parent Teachers Coordination and Cooperation we are in routine to conduct PTM on alternate month's second Saturday. This is a unique feature to interact with the parents. The PTM is held from time to time and the parents are informed through informative notice or by sms.

The parents are requested to be present in the PTM to check the overall development of their child and to discuss anything with the teachers regarding the progress of their ward. After the PTM there is a Principal-Teacher meeting in which all the problems & suggestions are discussed one by one with teachers to enhance the creativity and progress of the students. The constructive suggestions from the parents are discussed and implemented as per need.

Excursions and Tours

Educational Excursions and Tours are arranged to widen the horizon of vision and give a chance to learn more through tours and trips

Morning Assembly

There are four types of specialized morning assembly in the school. Almost every student gets a chance to perform on the stage through AMP Box. The morning assembly comprises of four topics viz **Literary Assembly, Academic Assembly, Scientific Assembly and Cultural Assembly**. Each Specialized Morning Assembly goes on for a week.

Training of Facilitators

The teachers at SVM keep abreast with the changing trends in the pedagogy by participating in workshops, seminars and training programmes organized by Hindu Shiksha Smiti and Vidya Bharti from time to time. The school also facilitates the growth of the teachers through the Teacher Empowerment Programmes like Dakshta Varg, and Teachers' Workshops.

Devlopement of Leadership Qualities

To empower the students with leadership qualities, the Vidyalaya Bal Bharti and Kanya Bharti dignitaries are elected with a proper democratic way known as School Election. It helps students to know the election system and also inculcates the feelings of leadership among them.

Development of Scientific Temperament

To inculcate the scientific temperament among the students, we are in routine to organize various scientific activities like science workshops, trainings, science exhibition. The participation of each student in school level in all these activities is compulsory. After school level competition the students are eligible to participate up to National Level competition.

Sports and Physical Education

We are committed to the community to keep their wards fit and to maintain the physical and mental balance among them. Our all students have to participate as per CCE norms in games, sports and athletics in school level competitions. After qualifying that level they become eligible for next participations up to SGFI level through Vidya Bharti and CBSE competitions. Our sports team is very much interested and laborious to conduct such type of competitions.

Students' Trainings

Continuous meetings and trainings for all round development of the children is in a regular practice of the school. Bridge courses, gap classes, brilliant courses, week classes and regular personality development program are the unique feature of the SVM.
